# Site Map

The image displays two wireframe mobile devices side-by-side, illustrating a responsive web design for a portfolio website.

**Left Device (iPhone X Wireframe):**

- Header:** Shows "iPod" with signal strength, "Blog" (highlighted in blue), "My Projects", and "Contact". The time is 2:51 PM.
- Main Content:** A large header "Portfolio" is centered above a placeholder image area. The image area contains a square frame with a diagonal cross and a central box labeled "My image".
- Section:** "About me" is followed by a dotted line separator and a short bio.
- Buttons:** "Github" and "LinkedIn" buttons.
- Footer:** "Click here to download my [Resume](#)" button.

**Right Device (iPhone X Wireframe):**

- Header:** Shows "09:52 AM" and icons for signal, battery, and Wi-Fi.
- Main Content:** A large header "Portfolio" is centered above a placeholder image area. The image area contains a square frame with a diagonal cross and a central box labeled "My image".
- Section:** "About me" is followed by a dotted line separator and a short bio.
- Buttons:** "Github" and "LinkedIn" buttons.
- Footer:** "Click here to download my [Resume](#)" button.

## About Me

Dedicated and precise payroll administrator with approximately 2 years of experience managing pay and benefits procedures. Seeking to provide payroll processing services in the position of a payroll officer. Currently I am studing for a career change. Front - end developing is so interesting and I hope that I can be a front end developer one day.

The image shows a web browser interface with a header bar containing icons for back, forward, and search, along with the URL 'https://'. The title of the page is 'A Web Page'. Below the header is a navigation menu with three items: 'Blog' (which is highlighted in blue), 'My Projects', and 'Contact'. The main content area contains two identical blog entries. Each entry has a bold title 'Blog 1' and a timestamp 'Nov 11, 2021'. A large rectangular area of the post content is completely redacted with a black 'X' pattern. Below each redacted area is a comment section consisting of five horizontal rows of small, illegible text.

## Rose

"Nov 11,2021"

A close-up photograph of a vibrant red rose flower with several green leaves and buds.

This is a fake article. I don have a blog so I am just making some fake blog for this website. Oneday I will make better portfolio and make a better website with interesting artcle. I need to write more to make this article longer and I think the content doesn't matter. Let me write something boring. Nothing make sense here, I know.

## My Projects

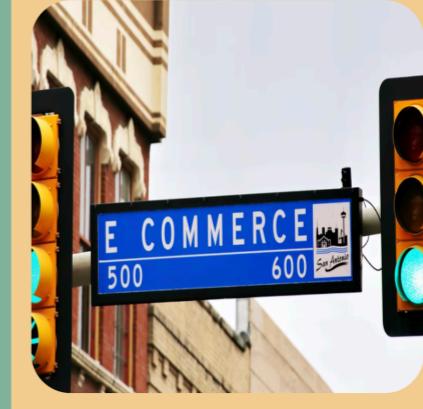

### Resume Web Page

This is a website I made in workshop class. I know it doesn't look cool, but after finish Bootcamp I will replace this with a better project.
